

Recyclables and Garbage

Collection Schedule

Keep for Reference

- If you are unsure which day your garbage is collected, please refer to the list of area names and collection schedules on the back page.
- Separate recyclables and garbage correctly and put them out at the designated garbage collection spot by **8:00 a.m.** on the collection day.

How to Use the Detailed Garbage Collection Schedule

Write down the garbage collection days for your area on the sorting list below and use it as a reference.

Foreign language

Area

Recyclables and Garbage Sorting Guide

Do not put out items 80cm or longer on any side at garbage collection sites.

Bulky Garbage Disposal Guide

Burnable garbage

Use the designated yellow garbage bag.

燃やせるごみ用

Food waste
Leather items
Disposable diapers
Futons, sheets and towels under 80cm

Plastic items 30cm or less
Video and cassette tapes
CD and DVD
Food containers

Plastic containers with stains that cannot be easily cleaned
Branches
Cut into pieces about 50cm long and tie with string. (branches up to about 3cm in diameter)

● If an item is under 80cm long but does not fit in a designated garbage bag, attach a note indicating its [width x height x depth] to the designated garbage bag and dispose of it.

Beverage cans, glass bottles (for food and beverages), PET bottles

No designated garbage bag required (use a clear or translucent bag)

Beverage cans
Glass bottles (for food and beverages)
PET bottles

● Place beverage cans, glass bottles, and PET bottles in separate bags.
● No need to separate aluminium and steel beverage cans. ● No need to separate glass bottles by color.
● Dispose of PET bottle caps and labels as Plastic Containers and Packaging.
● Dispose of empty food cans as metal items. (including small appliances, batteries and flammable hazardous items)

Non-Burnable garbage

Use the designated blue garbage bag.

燃やせないごみ用

Kerosene tanks. Empty the tank before disposal.
Plastic items over 30cm but under 80cm
Glassware and ceramics
Fluorescent tubes

● Please take the items to collection points whenever possible.
● If an item is under 80cm long but does not fit in a designated garbage bag, attach a note indicating its [width x height x depth] to the designated garbage bag and dispose of it.

Newspapers, cardboard, magazines, miscellaneous paper, milk cartons and other beverage cartons, and used clothing

No designated garbage bag is required

● Newspapers, cardboard and milk cartons : tie with paper string.
● Magazines and miscellaneous paper : tie with paper string or put in a paper bag.
● Used clothing : use a clear or translucent bag instead of the designated garbage bag.

Tissue boxes (remove the plastic part)
Newspapers (including flyers)
Used clothing
Paper recyclables

● If it is raining or rain is expected, please wait until the next collection day. (the items will still be collected, but they may not be recyclable.)
● Separate newspapers, magazines, miscellaneous paper, cardboard, milk cartons and other beverage cartons, and used clothing into separate groups. ● Only dispose of clothes that can still be worn.

Metal items (including small appliances, batteries and flammable hazardous items)

Use the designated red garbage bag.

燃やせるごみ用

Heated tobacco devices
Used lighters
Mobile batteries
Mobile phones and game consoles
Cordless vacuum cleaners
Handheld fan

Small appliances
Clean aluminium foil
Dry-cell batteries
Button and coin batteries

Kerosene and gas heater
Gas appliances
Metal items

● Remove the batteries before disposal.
● Items that cannot be cleaned or are rusty should be disposed of as Non-Burnable garbage.
● Also use battery collection boxes at nearby public facilities.

Use a clear or translucent bag for batteries only. No designated garbage bag is required.
(insulate the terminal with cellophane tape.)

Plastic containers and packaging

Use the designated clear garbage bag with green lettering.

プラ容器

← Look for this mark! →

Food containers, plastic egg containers and fresh food trays
Instant noodle cups and juice containers
Bottles and styrofoam
PET bottle caps and labels
Snack and frozen food packaging

● Rinse dirty items lightly with water.
● Dispose of items that are difficult to clean as Burnable garbage.

Recyclables and Garbage Sorting Guide

For detailed information, please refer to the [SAN-ARU] app, the [Guide to Sorting and Disposal of Household Recyclables and Garbage] or the [Household Recyclables and Garbage Item-by-Item Guide].

● For garbage collection during the year-end and New Year holidays, please check the December issue of Koho Kasugai.
